

LaserBand Original Wristbands

Zebra's self-laminating LaserBand® Original direct print laser wristbands feature a classic design.

Zebra's direct print self-laminating direct-print laser wristbands feature the ability to print wristbands and labels on one sheet utilizing existing laser printers.

- Patented self-laminating seal protects the wristband from moisture and hand-sanitizers, preserving patient data for longer wristband usability.
- Ability to simultaneously print patient chart labels and the wristband on one sheet, streamlining patient admissions.
- Available with hole-punches for securement into patient charts.
- Adhesive-free zones around form edges and holes prevent printer jams and reduces costly printer maintenance.
- Enables quick deployment of a barcoded wristband solution without the need for a separate printer for wristbands

Features Include

- Self-laminating design protects printed text and barcodes
- Tamper-evident, adhesive closure
- Available in adult, pediatric and infant sizes, as well as a labor and delivery and Standard Register compatible formats
- Latex-free

Companion Alert Wristband Solutions

Enable quick identification of special patient conditions with color-coded wristbands and labels from Zebra. Our solutions enable compliance with state, regional and local color-coding standards for patient conditions such as allergy, DNR, fall-risk, latex-allergy and restricted limb.

Slim Alert Wristbands

These color-coded vinyl clip-closure wristbands are 0.625" x 10" and are pre-printed with patient conditions.

Tyvek Alert Wristbands

These color-coded Tyvek® adhesive closure wristbands are 1" x 10" and are pre-printed with patient conditions.

Spot Alert Labels

Spot-alert color-coded labels can be adhered to any wristband and feature a strong adhesive that causes the label to tear if tampered with.
